Professional Speed Networking Event

Celebrate National Boss's Day with us on Tuesday, October 16, 2018! We're hosting a special, facilitated speed networking event in your honor.

On this special day, we're celebrating YOU. Are you an overworked, self-employed, small business BOSS who gets the job done -- but who often gets very little recognition for doing what you do? If that sounds like you, join us for Metro Atlanta's most fun and professional speed networking event of the season.

NETWORK LIKE A BOSS will feature facilitated networking, ice breaker activities, a business spotlight competition, best dressed award, plus MORE!

HOSTED BY

Kimberly Kelly, MC
